Screw-top and slip-lid tins

From very small to very large, your tobacco and aromatic products are safely packaged here

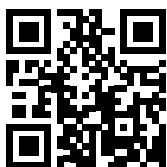

The benefits of screw-cap tins / slip-lid cans „made by Pirlo“ at a glance:

- ⇒ More than 20 different types from 9 ml to 1,000 ml
- ⇒ Technically and visually outstanding designs for your brand at the POS
- ⇒ Vacuum-sealed tins
- ⇒ Snus tins made of aluminium – do not need to be refrigerated and thus achieve a significantly longer product life than plastic cans
- ⇒ Possible combination of tinplate lid and plastic base
- ⇒ Extensive in-house expertise on current tobacco directives and regulations

Talk to us about your individual packaging requirements - we will also find the ideal metal packaging for your products. Special tin sizes are possible on request.
