

If anyone CAN – we CAN!

# Cylindrical bottles

Cylindrical bottles made out of tinplate from 100 ml to 2 L nominal volumes

# Cylindrical bottles

## Perfectly fitting cylindrical bottles with a broad product spectrum, directly from the manufacturer

The benefits of the broad cylindrical product range „made by Pirlo“ at a glance:

- ↪ Very broad product portfolio for cylindrical bottles
- ↪ Special programme for cooking oil cylindrical bottles with plastic spouts from 250 to 1,000 ml, black-matte or metallic colours
- ↪ Good residual emptying, resealability and tamper seal
- ↪ Body embossing possible
- ↪ Various top-end geometries (DIN-holes and REL-perforations)
- ↪ Funnel bottles with screw caps
- ↪ With and without hazardous products certification
- ↪ Various closures / spouts (child protection)
- ↪ Unique cooking oil spout: Compatible with automated sealing machines, risk of incorrect operation reduced
- ↪ Special cans suitable for hot-fill applications
- ↪ Also available varnished inside
- ↪ Body embossing possible
- ↪ Standard products in stock

Our experts will be happy to help you with any questions you may have pertaining to cylindrical bottles and spouts. Special can sizes are possible on request.
