If anyone CAN – we CAN!

Press-in lid cans

Press-in lid cans – maximum can opening for maximum comfort

Press-in lid cans

Tinplate cans with plug-in lids in numerous designs for different products

The benefits of press-in lid cans „made by Pirlo“ at a glance:

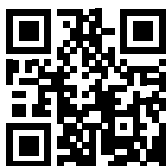

- ⇨ Also available varnished inside
- ⇨ Excellent residual emptying
- ⇨ Good tightness values
- ⇨ Cans may be equipped with a PP cap
- ⇨ Sipra strip closure optional
- ⇨ Round press-in lid cans are specially suited for all kinds of fillers, lubricating greases and many other pasty products
- ⇨ Standard products in stock

Please note the following: the press-in lid cans are not certified for hazardous goods. Our experts will be happy to answer any questions you may have in this respect. Special can sizes are possible on request.
