

 Huta Szkła
CZECHY S.A.

Founded in Eastern Poland in 1835, Huta Szkła Czechy SA has become not only a part of local history, but also plays an important role in Polish and European glass industry.

Thanks to important investments made in the last years, Huta Szkła Czechy SA is one of the growing glass manufacturing company in the mass market segment of cosmetics, perfumery and food packaging. Production includes perfume, lotion and after shave bottles, nail varnish containers as well as air freshener, food jars and spirits bottles.

The internal mould manufacturing department and the decoration facility enable Huta Szkła Czechy SA to provide complete packaging solutions designed by us or developed together with our customers.

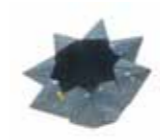

Becoming part of the Italian Group Zignago Vetro in 2011, has brought to the company new synergies and great opportunities to enforce the production process and to increase the market share; with factories in France (Verreries Brosse), in Italy (Zignago Vetro) and Poland, the Group, is globally positioned to supply both stock and glass containers to the fragrance and cosmetic market covering mass market through luxury sectors.

Założona we wschodniej Polsce, Huta Szkła Czechy stała się nie tylko częścią lokalnej historii ale również odegrała istotną rolę w polskim i europejskim przemyśle szklarskim.

Dzięki znaczącym inwestycjom zrealizowanym w ostatnich latach, Huta Szkła Czechy SA jest jedną z najszybciej rozwijających się fabryk szklarskich w segmencie mass market wyrobów kosmetycznych, perfumeryjnych oraz spożywczych. Produkcja obejmuje butelki na perfumy, odżywki oraz wody po goleniu, opakowania na lakier do paznokci oraz odświeżacze jak również słoiki i butelki spożywcze.

Wewnętrzny dział produkcji form oraz dział zdobienia sprawiają, iż Huta Szkła Czechy SA może dostarczać kompleksowe rozwiązania opakowaniowe, projektowane przez swoich pracowników lub rozwijane wspólnie ze swoimi Klientami.

Stając się częścią Grupy Zignago Vetro w 2011 roku, Huta Szkła Czechy SA otrzymała wielkie możliwości zwiększenia procesu produkcji oraz udziału w rynku. Wspólnie z fabrykami we Francji (Verreries Brosse), we Włoszech (Zignago Vetro) oraz Polsce. Grupa Zignago Vetro jest globalnie skoncentrowana na dostarczaniu opakowań szklanych dla wszystkich segmentów rynku kosmetyczny oraz perfumeryjnego, poczynając od najtańszych po najbardziej luksusowe.
