Material:
PET.

Sizes:
from 100 ml up to 950 ml.

Closures:
matching hinged Caps with tamper evident ring and an option of different liners.

Cylindrical Cosmetic Bottles

Application:
liquid form cosmetics and pharmaceuticals.

Material:
PET.

Sizes:
from 125 ml up to 250 ml.

Closures:
Flip Tops, Pumps or Sprayers can be applied on the bottle neck: 24-410. In addition, Gil Pack offers a compatible Overcap for these bottles.

500 ml HDPE Square Bottle with Crimp Neck

For infusions and veterinary applications with a bottom grip which allows to hang the Bottle upside down.

Oval Cosmetics Bottles

Application:
liquid form cosmetics, SPA, and pharmaceutical products.

Material:
PET.

Sizes:
from 85 ml up to 400 ml.

Closures:
Flip Tops, Pumps or Sprayers can be applied on the bottle neck.

Drip Proof Bottle for oil products

Enables easy pouring of oil products and prevents the annoying oil spill on the bottles sides. This special neck is an integral part of the Bottle itself and not a separate insert. To be used with 28PP tamper evident Closure.

Talc Powder Bottles

Application:
powders.

Material:
HDPE.

Sizes:
200 ml up to 400ml.

Closures:
We offer a matching, left - right sifter, powder dispensing Cap.

Shower Gel Bottles

3 part Packaging: PET Bottle 250ml, Closure with a silicone valve and special, hook shaped, Overcap, which allows the Bottle to be hanged upside down for easy dispensing.

Screw Caps with liner

Application:

Hinged Caps with Tamper Evident Ring & liner

Application:
to be used on our PET Packers as well as on specific HDPE Packers in our range.

Material:
LDPE. Caps are available with various liners: pressure sensitive liner, induction heat sealed liner, EPE liner and more.

Sizes:
38mm, 45mm, 53mm.

About Gil Pack

Gil Pack is a pharmaceutical plastic packaging manufacturer. Since 1987 we are a steady supplier to the top pharma, food supplements, and cosmetics companies. In our wide range of products you will find Bottles, Jars, Caps, and Closures in PET, HDPE, LDPE, and PP.

At Gil Pack we implement a special "Total Packaging Solution" philosophy, which allows us to deliver the Jars and Bottles together with perfectly matching Caps and Closures. All parts are manufactured at our premises, pass our quality controls and enable us to present the highest quality of "Total Packaging".

For custom made packaging, our R&D department will work with you to achieve the perfect solution in exclusive packaging. From the idea through design, tooling, manufacturing and delivery – all under one roof.

As a service oriented company, Gil Pack offers:

- No minimum order quantity for items in stock.
- For items which are not stocked, our minimum production run is just 10,000 pcs.
- For custom colours we ask for a minimum of 25,000 pcs. production run.
- Please contact us for special specifications-packagings. We are able to offer you high quality, low cost custom manufacturing.
