and **wedeliver**. In fact,  
whatever you need, we've  
got it wrapped up!

Our friendly, resourceful team includes specialists in all areas of packing, material handling and delivery. We have the experience and personnel to manage jobs of any size and complexity, regardless of the product.

We offer innovative solutions to control costs or enhance your company profile.

**wepack** so you can perform better.

We are the perfect extension to your operation, adding creativity and value to all your packaging projects. We handle jobs in all areas of the packaging world; from concept and design through to sourcing and delivery. The **wepack** team will be with you every step of the way.

wepack

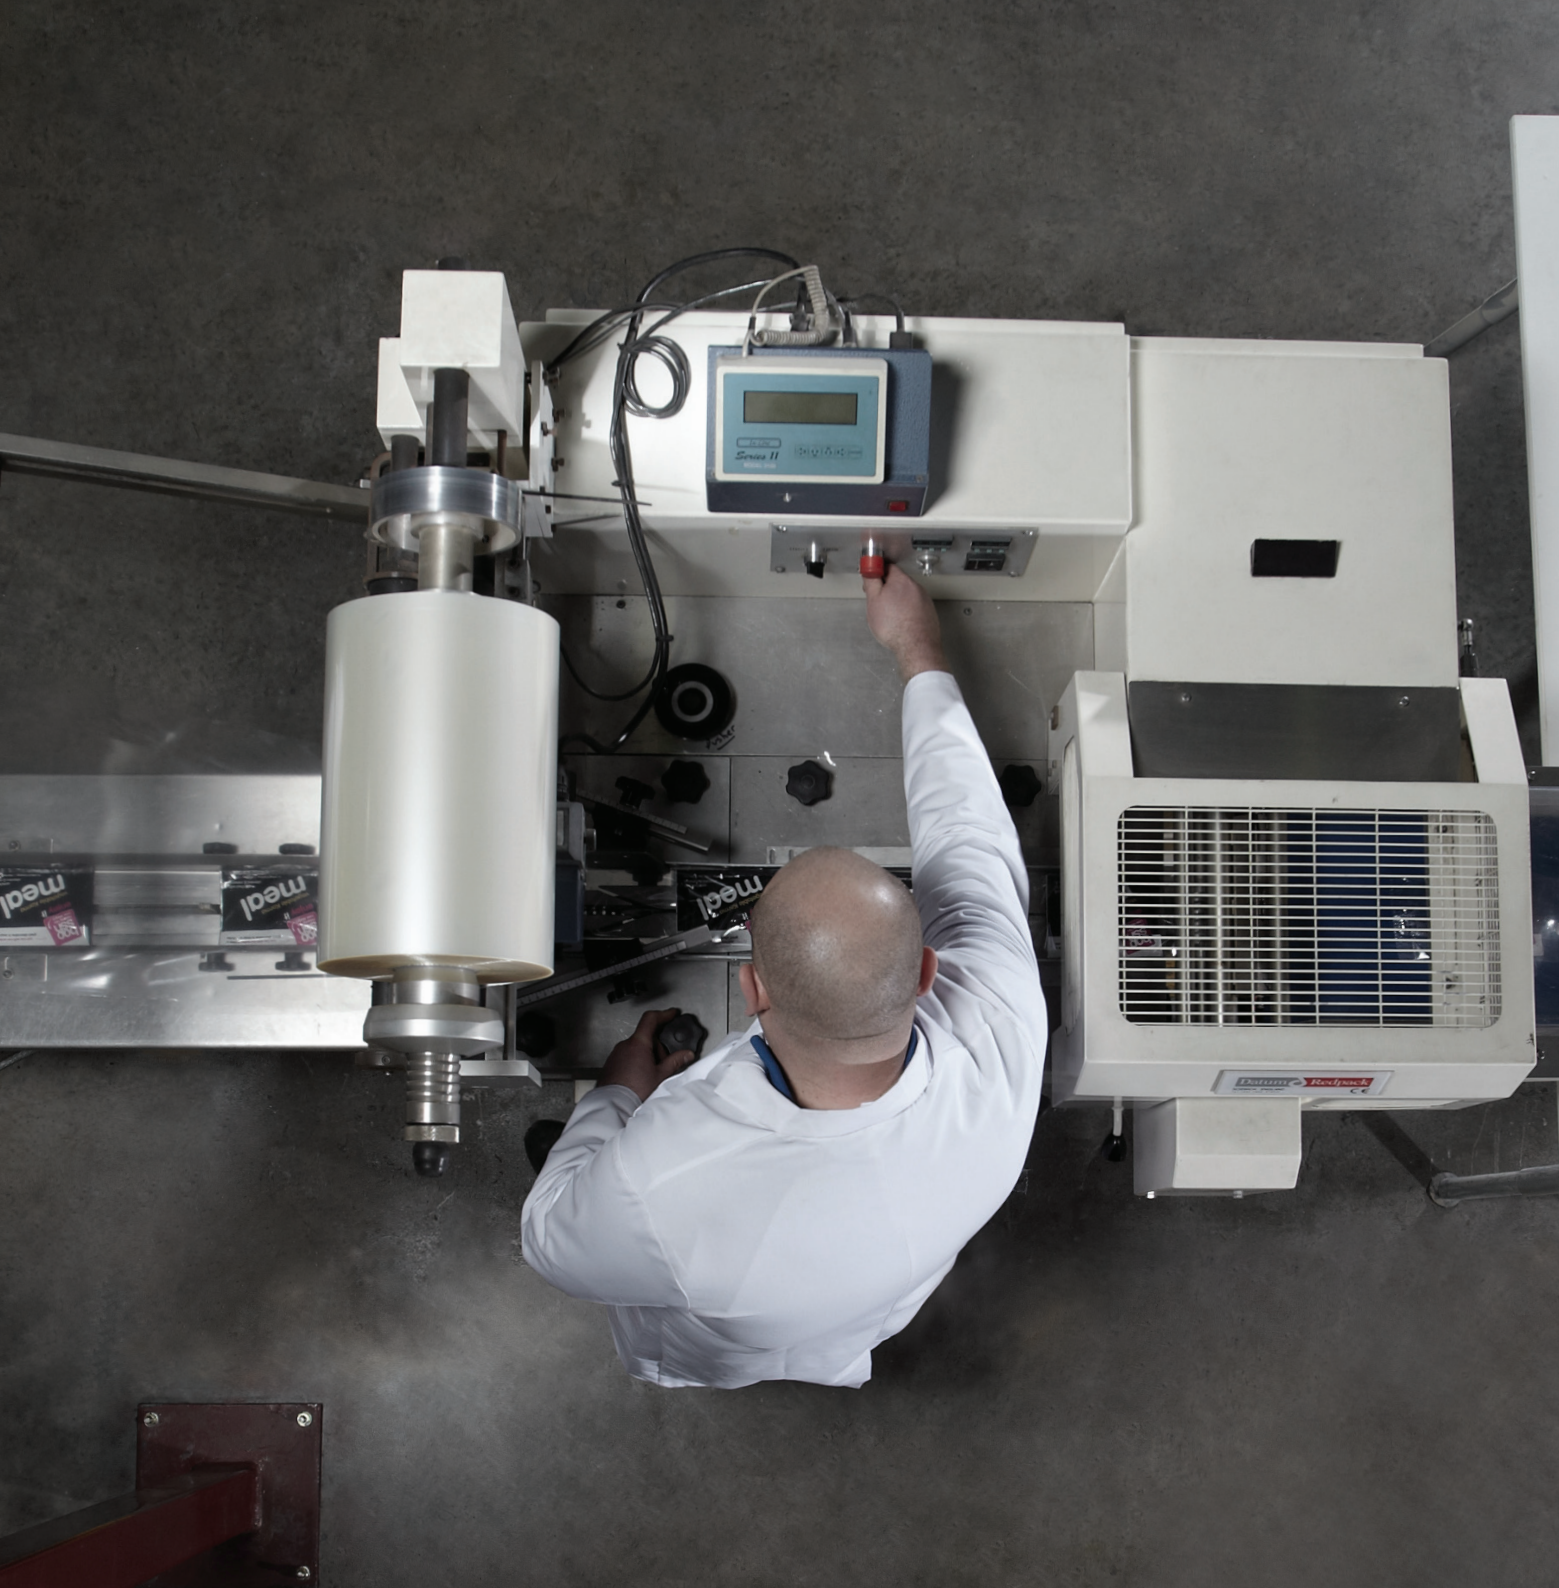

**You name it, we'll pack it!**

From shrink-wrapping and sleeving to blister packaging and liquid filling, the **wepack** team handles it all.

Our automated weighing, counting and bagging facility ensures the utmost accuracy in portion-controlled packaging.

Print fulfilment required? No problem. Our expert hand-finishing team will fulfil any large or small volume print job with the care and attention it deserves.

**wepack** also offer a complete re-working service for clients who need to update or correct existing packaging, whilst protecting the product it contains.

wesource

We have the skills and industry knowledge to procure bespoke packaging that will not only protect your product, but also make it stand out from the crowd. Our enthusiastic team is bursting with great ideas to help you find the packaging that's perfect for you.

It doesn't finish there... With the support of our specialist team and global contact network, we can also source the products you need packaging too!

We offer a complete solution, from sourcing products and packaging to delivering them to your door - branded and ready for Retail Sale.

# westore

We offer long or short-term storage at our specialist packaging facility in Derbyshire.

The **wepack** team works closely with clients to offer container handling, including 'de-stuffing' (unloading) and loading, along with storage in our warehouses.

We ensure your valuable stock is looked after in a secure, suitable environment and offer a safety net when additional, on demand storage is required.

wedeliver

Ensure your products reach their destination safely with our cost-effective carriage solutions.

From receipt of your order to it leaving our warehouse, you can relax in the knowledge that we will respect and handle your product with care. Using considered methods and materials; your delivery will be packaged carefully and is guaranteed to arrive at its destination on time and in one piece!

# brands wepack

wepack works with a wide range of famous brands across an array of industries. These world-renowned and instantly recognisable brands trust wepack to deliver on-time, in budget and to the highest quality - so can you!
