# Raepak

Welcome to Raepak, we are a UK based company devoted to product innovation, design and supply of toiletry, cosmetic and liquid packaging for clients around the world.

Our philosophy dictates we provide products and service that people will want to talk about, essentially we aim to 'Be Remarkable'. By doing this we are supporting our clients to create remarkable products and brand identities that end user consumers will in turn want to talk about.

Our packaging solutions are made of the best materials and are finished to exacting standards. Each item is subject to rigorous levels of testing to ensure we only supply the finest products. Our customers expect nothing but the best products & service so we work to provide nothing but the best.

Call us today for a sample, or visit [www.raepak.com](http://www.raepak.com) to view our stock and non-stock products online.
