

40mm Foamer Preform

Ideal preform for 8-13 oz foamer product bottles

General Information

- 40mm foamer finish
- 27 grams
- Can be used for bottles ranging in size from 8 oz – 13 oz (250 ml – 400 ml)
 - Bottles require additional headspace due to volume displacement by foamer pump mechanism
- Compatible with Silgan's existing Sidel, SIG and Sipa two-step machines
- Can run blow molds for this preform in Seymour, IN; Langhorne, PA; Monroe, GA and Lachine, QC
- Ideal for soaps, hand sanitizers, facial cleansers, dish soaps, home cleanser, etc.
- Arminak & Associates offers a stock foamer that works with this preform
