circular solutions

The B Circular Range is a testament of Berry Global's customer promise and our ongoing commitment to deliver an impact supporting your sustainability goals.

- Recycled Plastic**
Products that are manufactured using recycled content that can range up to 100% recycled plastic.
- Reuse/Refill**
Refillable solutions increase the reusability of our products.
- Renewable**
In some cases, fossil fuel feedstocks can be replaced with renewable resources like forestry residue, used cooking oils, and more.
- Improved Recyclability**
Design changes that follow the RecyClass and APR guidelines can deliver products that are more compatible with recycling systems.
- Reduced Carbon Footprint***
Your carbon impact can be lowered by reducing material usage and designing with circular plastics.
