# 150 ml oval tubes with flip-top caps for MAËLYS Cosmetics body care solutions.

**MAËLYS Cosmetics** formulates clean skincare solutions using hyper-targeted ingredients to give users collections of results-driven products. For the body treatments **GET-PEACHY Booty Scrub** and **GET-LEVEL Keratosis Pilaris Body Scrub**, It works with SR Packaging North America Inc. and opt for oval tubes with flip-top caps for packaging.

## PACKAGING

★ 150 mL / 5.0 Fl Oz. plastic oval tubes (PE) of a soft-touch matte finish, decorated with white silk screen printing.

★ In-mold, matte-textured flip-top caps (PP) with foil seal on the orifice.

The tubes and flip-top caps are each color-matched in violet and rose pink for the two different products. The tubes have a soft-touch, matte-finish coating, while the caps are in-mold texturing for the matte texture without extra process.

The tubes have tamper-evident foil seals on the orifice to maintain the product integrity before purchase.

The flip-top caps are easy to use single-handed in the bathroom for daily skincare routines.
