

HomeStyle TwisTop - Technical Specifications

Food & Beverage

The HomeStyle TwisTop is a Lug/Twist closure with a Plastisol liner. It provides the functionality of a Lug/Twist, while providing the traditional appearance of a threaded closure used in home canning.

This commonly used 70 mm tall Lug closure size has the knurls and a faux thread, but retains the high filling speed of the lug closure.

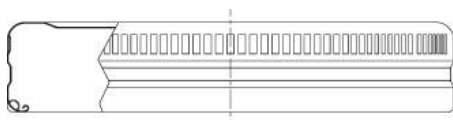

Available diameters (mm)

70

- The HomeStyle TwisTop comes in a 70 mm tall with other sizes in development.
- A vacuum indicator and tamper evident button is an added feature.
- Plastisol is the standard liner and a retort liner is also available.
- A gold exterior with white interior is most commonly used, but unlimited colors and graphics can be added to customize your packaging needs.
