YUAN HARNG

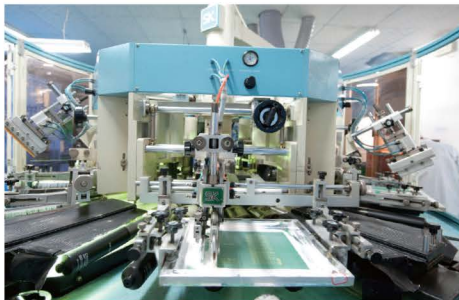

Description: when it comes to plastic tubes, Yuan Harn, Taiwan (YH tubes) has been a leading supplier in the industry. At YH you receive quality, variety, creativity and flexibility; beginning from 1982, YH has been involved with packaging products. Tubing division established in 2002, supplying major skin care, personal care and color cosmetics brands globally. Today, More than 70 styles of tube heading style available, annual capacity about 240 million pieces and continues growing rapidly. 100% exported to USA, EU, Japan, and other areas. Quality is ensured by ISO 9001:2000 certified system and reputation from world class customers.

In response to the increasing demands, division of Contract Manufacturing plant has been set up, with CGMP USA and Europe certified, ISO9001:2000, ISO14000 and ISO18000 certified, a professional turnkey service (OEM&ODM) for skin care, personal care, hair care and color cosmetics.

Innovation: as a professional tube manufacture, YH is always working ahead in creating the newest products complying with fashion trends.

Private Development*With this ongoing commitment to innovation, YH has created and develop many legacies in the industry. Our expertise in molding, design, color and decoration, at YH, a simple thought can be a milestone in the beauty industry.
