Innovative, customer focussed solutions

Paper solutions for Publishers • Printers • Designers

## Our Products

Denmaur Independent Papers is proud of the long term relationships it has developed with the majority of the major European suppliers, along with niche paper producers and some further a-field. This gives us the opportunity to source a wide range of high quality products and with our expertise serve them up effectively and efficiently to suit publishers, printers and end-users alike.

In identifying potential partners from whom to source, Denmaur Independent Papers only selects from those suppliers who have achieved the very highest verifiable environmental and quality management standards. These include the FSC® and PEFC sustainable forestry certificates, compliance for the European Timber regulations (EUTR), and accreditation to the ISO14001 Environmental Management Systems.

## Stock Papers

Our modern UK warehousing and logistics operation, located in the Midlands, gives us the capacity to hold stocks in depth, which in turn provides a wide paper offer on a next day basis throughout in the UK.

### Our stock products include:

- ▶ **Amadeus Primo** - a superlative range of woodfree coated papers, available in a Gloss or Silk finish.
- ▶ **Amadeus Recycled** - delivers the benefit and quality of the Amadeus name, but with recycled fibres. Choose between 50 / 75 or 100% recycled content.
