

Bake-Well®

The ultimate solution for every baking product

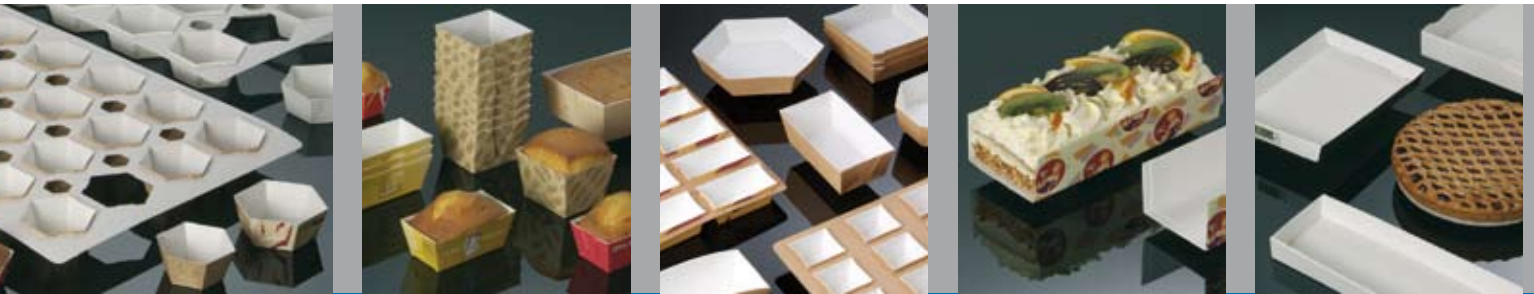

Bake-Well®

On top of excellent baking properties the baking trays named Bake-Well® offer an excellent protection of your baked product during transportation.

As consumer packaging Bake-Well® is an attractive eye-catcher at the Point of Sale.

The application areas are: bread, gingerbread, cake, pies, snacks and pastry.

Advantages of Bake-Well®:

- Easy to use; no metal moulds needed anymore
- Suitable for traditional oven as well as microwave oven, to maximum 220°C
- Certified for direct food contact according to BfR
- Flexible in shape and size: ideal for tailor-made solutions
- Printable up to a maximum of 5 colours
- Special coatings available for sticky products
- Produced out of 100 % paper, environmentally sound and recyclable
- Available as portion packaging (Portion-Pack)
- Fast delivery of 0-series
