

Specialist in lightweight corrugated

PilloPak

PilloPak is your specialist for packaging made of lightweight corrugated. Since 1954 we develop transport, protective and point of sale packaging for our customers in various markets. PilloPak is your partner for food packaging and fulfils all relevant food regulations.

For our extensive customer base we develop tailor made packaging with the focus on material reduction; Optimisation of the packaging steps; Packaging functionality.

Tested and accredited

PilloPak fulfils the following standards:

- Quality management according to ISO 9001:2000
- Environmental management according to ISO 14001
- BRC/IoP-certification category B for direct contact

Strong in the group

We serve our customer base with the entire portfolio of the Palm Packaging Group. We offer for example with the support of our sister companies Offset printing and laminated products. Through us and with the help of our partners you can also get heavier grades of paper complexes that require higher stiffness and strength.

The Palm Packaging Group is part of the Family owned Palm Group, managed by Dr. Wolfgang Palm for already the fourth generation. The other branch of the Palm Group is the „Papierfabrik Palm“. For a large part of its applications PilloPak uses the raw materials of the Paper Mills of the Palm Group.
