

Cosmetics packaging

Liners produced from light-weight corrugated paper

Cosmetics packaging

Liners from PilloPak offer you the optimal protection for your cosmetics.
Together with the outer packaging, your cosmetic product will be packed both safe and attractive.
Tailor-made solutions enable you to sell your cosmetics in a professional and effective way.
Our liners can be used as packaging for perfumes, tubes, but also for special tailor-made concepts.

Advantages:

- Can be produced in almost every shape
- Lacquered finish or full-colour print with protection finish upon request
- Pré-print possible
- Glued versions and special die-cutted shapes possible; plenty room for creativity!!
- Different paper grades in various grammages and executions available

Service:

- Fast delivery of 0-series
- Small series can be produced from standard quality
- In house packaging development
- Support on development of pré-series and practical tests
