

The policy of Ambroplastics Limited is to minimise our negative effect on the environment by managing the way in which we operate our manufacturing processes and provide services to our customers

We continually look for ways to improve our environmental performance and to prevent pollution.

We work closely with all stakeholders and external agencies to ensure that we comply with all appropriate legislation and other requirements related to our environmental aspects.

We operate systems that meet the requirements of ISO14001.

All staff are aware of the processes operated within the company, and are aware their responsibilities to follow defined procedures and to report any deviation or anomalies.

Staff are encouraged to provide input to the development and improvement of systems.

The Management of the company establish business objectives which support the implementation of this policy. These objectives are regularly reviewed and revised as necessary.

Phil Cudle
Managing Director
