

Aerohead™

Ergonomic // Eye-Catching

Featuring a unique aesthetic, Aerohead™ lets your brand stand out on the shelf. Plus, it's ergonomic and easy to actuate, making it a more convenient, comfortable choice compared to conventional push-button aerosol sprayers. Aerohead allows for a customizable trigger design and works great with a variety of applications like paint, bug spray, window cleaners and air care.

Aerohead™

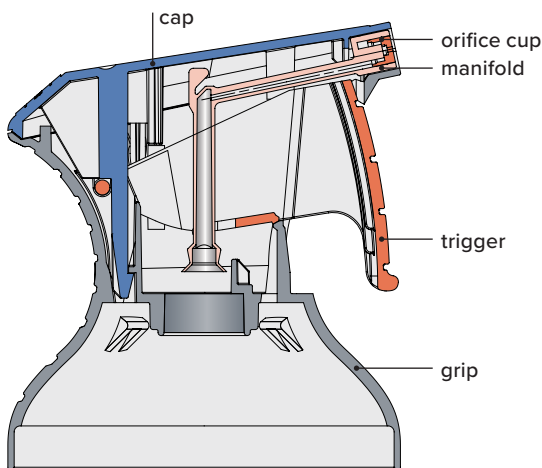

Advanced ergonomics for more comfortable spray dispensing
