DeliWave™

Put ultra-fresh food in focus with crystal clear delicatessen trays. Whether you're using DeliWave™ in the store or on the production line, it's ideal for ultra-fresh products such as seafood salads, desserts, sliced fruits and vegetables, and mayonnaise salads. A favourite for antipasti and tapas products because of the design and functionality.

SoloCup™

These multipurpose containers may be small, but they have a big impact on the user's satisfaction. Details like tight - but not too tight - lids and solid stackability make the SoloCup™ the safe choice.
