

PLUG AND PLAY PACKAGING

Discover MENSHEN's
state-of-the-art
tethered caps,
designed for ultimate
functionality and
sustainability.

NO LITTERING

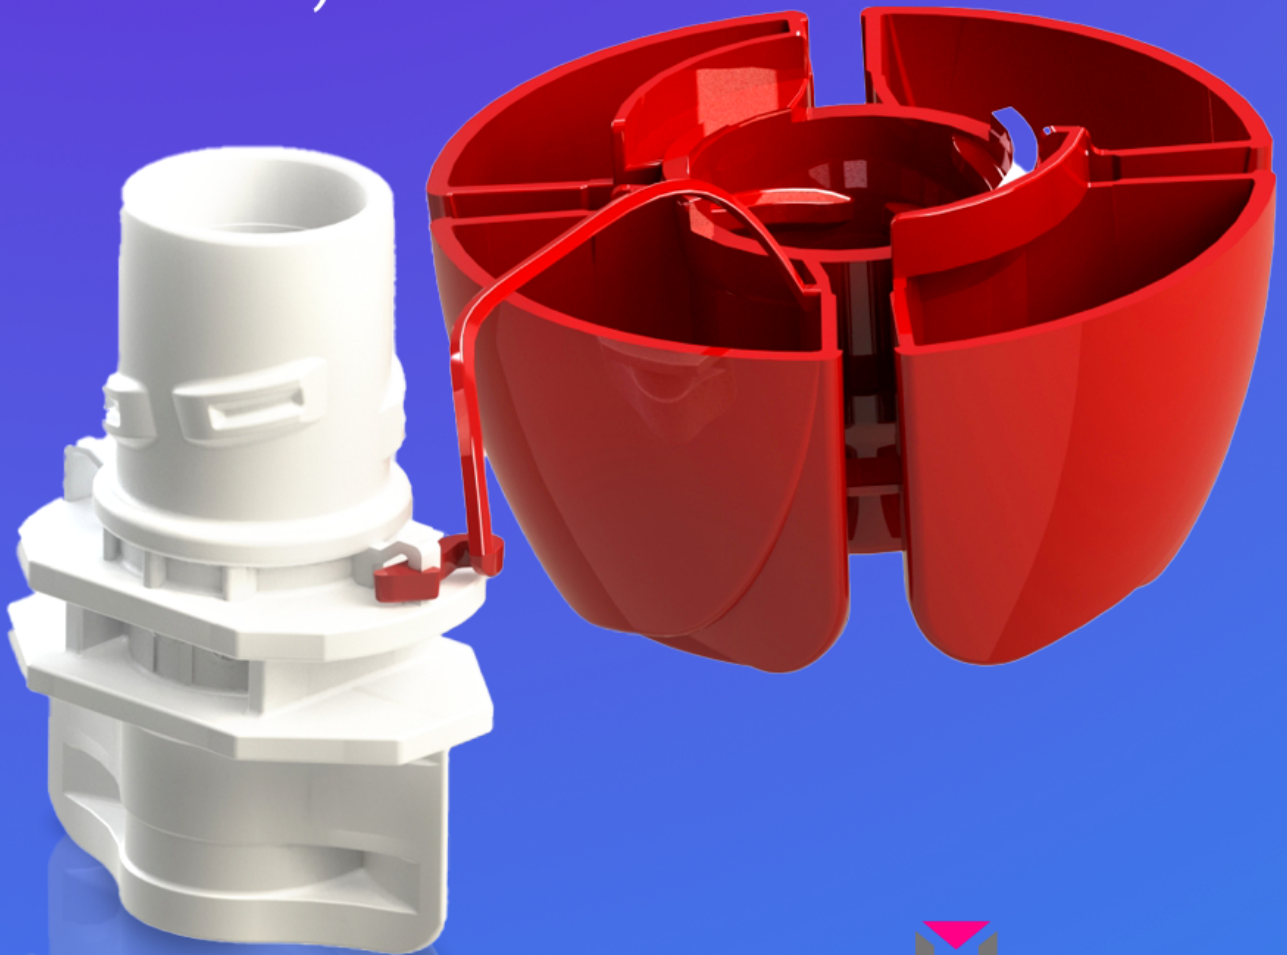

Our tethered caps prevent littering, ensuring a cleaner environment.

SUPERIOR PERFORMANCE

Surpasses EU
directive requirements
with a secure fit
(20N vs. 12N).

USER EXPERIENCE

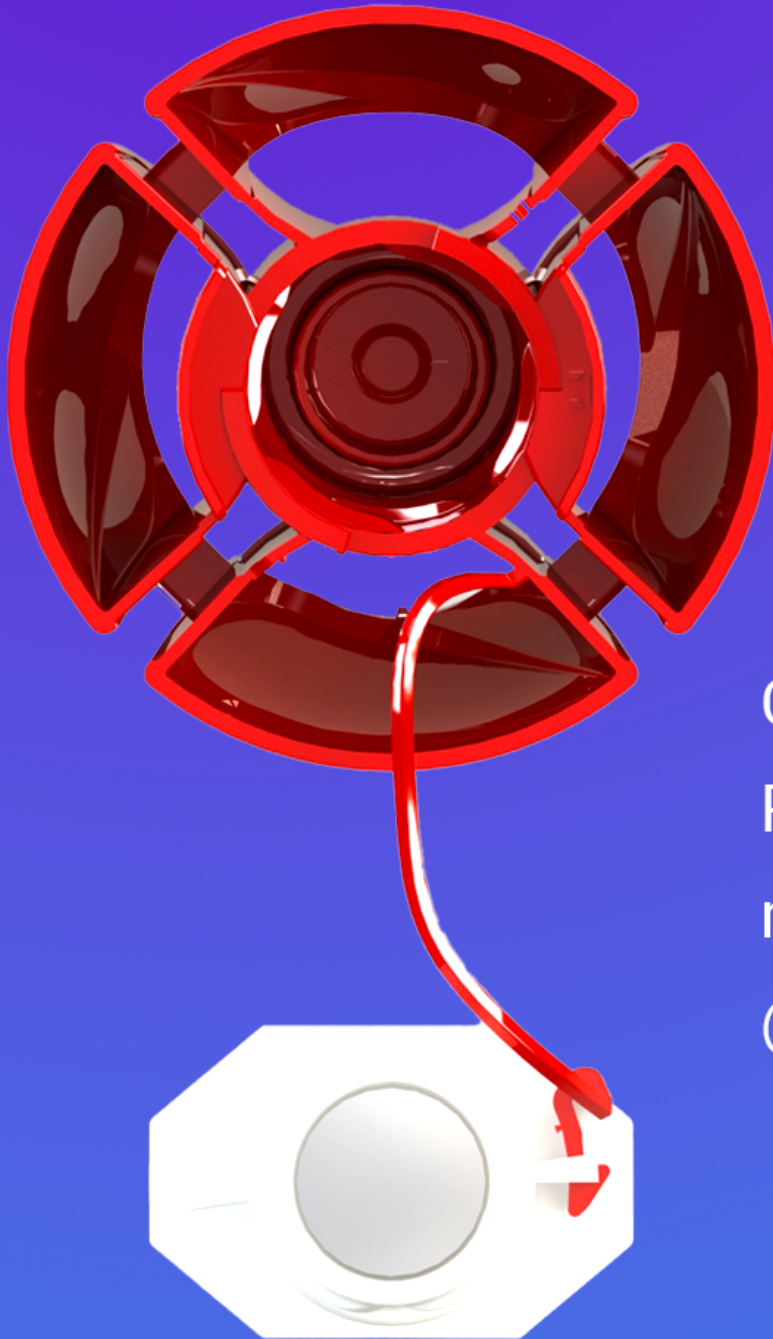

No interference
between cap and
face during use.

SEAMLESS INTEGRATION

Compatible with
existing filling lines
for effortless
implementation.
